SANITARY PROTOCOL

General requirements

Face masks must be worn at all times at the event venue, except for riders during training, warming up and racing. Any person at the event venue who is seen to be without a mask for an extended period will have their accreditation removed.

Social distancing of minimum 2m is expected at all times. Keep in mind that face masks on their own cannot provide complete protection against infection, and there is a need to use them alongside maintaining physical distance.

Regular hand washing/sanitizing is expected. Hand sanitizer will be provided at multiple locations on the event area.

It is the responsibility of the club/team representative or athlete to perform health checks. Participation in competitions for persons with symptoms (both competitors and competition organizers) is prohibited.

The organizer of the competition has the right to remove a person with symptoms and a person or persons who have been in contact with them from the competition if they have at least one of the following symptoms:

COVID-19 symptoms

Fever > 38°C

Cough

Shortness of breath

Stuffy nose or sore throat

Unusual aches

Abnormal fatigue

Unusual headache

Diarrhea/vomiting

Every worker and volunteer involved with the race must be familiar with the COVID-19 manual and follows the instructions.
